great wines from the world's greatest houses

la chablisienne - burgundy

With the largest production in the region, and control of the majority of Grand and 1^{ER} Cru sites, La Chablisienne has long been recognized as the greatest house of Chablis.

les vénérables chablis 2015

Coming from vines that are 35+ years old, Les Vénérables remains true to Chablis' iconic style: dry, with intense minerality and acidity, bright fruit, and strong aging potential. Fourteen months on the lees, in tank and barrel.

The 2015 is white-gold in colour with marked brilliance. Initially restrained on the nose, but upon aeration, the intense fruit and fine minerality begin to show. The palate is magical: concentrated and acidic, rich and full-bodied, with elegant notes of almond. Fine, harmonious finish.
