great spirits from the world's greatest houses

stroh — austria

A success story as unlikely as it is unique! Founded in Austria in 1832, Stroh produced liquors and brandies in small quantities for many years, until modernizing in the late 20th century and focusing on a special type of spirit: Inländer Rum. According to EU regulation, 100% of the rum must be made from sugar cane molasses in Austria, making it a protected Austrian specialty.

original 54 spiced rum

Stroh Original 54 Spiced Rum is a very distinct rum distinguished by its fine, flowery fragrance and potent, herbal nose. This leads to a harmonious, inviting taste that is rich with warm and spicy character.

Stroh is loved by mixologists for the kick it adds to their cocktails, and by chefs who prize its unique flavour for baking and compotes.

100% Austrian Sugar Cane Molasses

LCBO Spirits Vintages Essentials
